Manchester Tank Announces 10% Price Increase on Horizontal Domestic LP Gas Tanks

Franklin, TN – November 1, 2018 - This week Manchester Tank announced a price increase on its line of Horizontal Domestic LP Gas Tanks for aboveground, underground and AG-UG use. Prices will increase 10%, effective with all new orders shipping on or after December 1, 2018, or as contracts allow.

“Manchester Tank continues to experience significant inflation of raw materials and other cost inputs,” said Brendan Dillmann, Sr. Vice President of Sales & Marketing for Manchester Tank. “We have worked very hard to absorb as many of these cost increases as possible, but we have reached a point where we must adjust prices accordingly.”
